

BUTTE COUNTY AIR QUALITY MANAGEMENT DISTRICT

RULE 229 - SOLVENT STORAGE

*(Adopted August 7, 1979; Recodified August 6, 1985; Amended September 18, 1990;
Recodified August 22, 2002)*

- 1 SOLVENT STORAGE:** All paints and solvents shall be stored in sealed containers when not in use. Any containers of solvent stored in Butte County which exceed fifty-five (55) gallon capacity shall contain instructions to store in a closed condition.
